## WEEK 1

| Expense Category | Budgeted | Actual | Under/Over |
|------------------|----------|--------|------------|
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
| Total:           |          |        |            |

## WEEK 2

| Expense Category | Budgeted | Actual | Under/Over |
|------------------|----------|--------|------------|
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
| Total:           |          |        |            |

## WEEK 3

| Expense Category | Budgeted | Actual | Under/Over |
|------------------|----------|--------|------------|
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
| Total:           |          |        |            |

## WEEK 4

| Expense Category | Budgeted | Actual | Under/Over |
|------------------|----------|--------|------------|
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
|                  |          |        |            |
| Total:           |          |        |            |

| For the month of: | Total Income | Total Expenses | Net Income |
|-------------------|--------------|----------------|------------|
|                   |              |                |            |
